Coverage under this extension may be limited to the amount for Newly Acquired or Constructed Property under the Fund's excess insurance policy.

B. **EXCLUSIONS**

- 1. The Fund will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

The enforcement of any ordinance, code or law:

 - (1) Regulating the construction, use or repair of any property; or

- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This Ordinance or Law exclusion applies whether the loss results from:

This exclusion does not apply when "fungus", wet or dry rot or bacteria results from fire or lightning.

Exclusions **B.1.a** through **B.1.h** apply whether or not the loss event results in widespread damage or affects a substantial area.

2. The Fund will not pay for loss or damage caused by or resulting from:

- a.** Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires.

But if loss or damage by fire results, the Fund will pay for that resulting loss or damage caused by that fire. Electrical arcing is not a fire within the meaning of this policy.

- c. Leakage or discharge of water or steam resulting from any part of a system or appliance containing water or steam (other than an Automatic Sprinkler System if *sprinkler leakage* is a Covered Cause of Loss), unless the leakage or discharge occurs because the system or appliance was damaged by a Covered Cause of Loss.
- d. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control.

But if explosion of steam boilers, steam pipes, steam engines, or steam turbines results in fire or combustion explosion, the Fund will pay for the loss or damage caused by that fire or combustion explosion.

- e. Mechanical breakdown, including rupture or bursting caused by centrifugal force.

NOTE: Coverage for some of the above situations may be available through other insurance policies.

C. LIMITS OF INSURANCE

The most the Fund will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most the Fund will pay for any loss of or damage to any one head of "livestock" (other than animals individually described and specifically covered under this coverage) is the least of the following amounts:

- 1. 120% of the amount obtained by dividing the total insurance on the class and type of animal involved by the number of head of that class and type owned by you at the time of loss.
- 2. The actual cash value of the animal destroyed or damaged.
- 3. \$2,000

Each "calf", "lamb", "pig", "foal", "kid", or ostrich or emu "chick" will be valued at 50 percent of these amounts unless described separately.

For covered poultry, the limit of insurance per bird is its cash market value at time of loss.

D. DEDUCTIBLE

The Fund will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds a Deductible of \$5,000. The Fund will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit of Insurance. Higher deductibles may apply if agreed upon by the agency and the Fund.

E. COMMON COVERAGE CONDITIONS

1. CANCELLATION

- a. Coverage may be canceled by you by mailing or delivering to the Fund advance written notice of cancellation. Any premium refund will be on a prorated basis.
- b. The Fund may cancel this coverage for nonpayment of premium.

2. EXAMINATION OF YOUR BOOKS AND RECORDS

The Fund may examine and audit your books and records as they relate to this coverage at anytime during the policy year and up to three years afterward.

3. PREMIUMS

You are responsible for the payment of all premiums by the beginning of the coverage period. If premiums are not received within 90 days after the beginning of the coverage period or receipt of the billing statement, the account will be referred to the Attorney General's Office for collection, in accordance with the Statewide Accounts Receivable Program.

F. LOSS CONDITIONS

1. ABANDONMENT

There can be no abandonment of any property to the Fund.

2. DUTIES IN THE EVENT OF LOSS OR DAMAGE

You must see that the following are done in the event of loss or damage to Covered Property:

- a. Notify the police if a law may have been broken.
- b. Give the Fund prompt notice of the loss or damage. Include a description of the property involved. Failure to notify the Fund promptly may void the coverage if the ability of the Fund or its reinsurer to adjust the claim is materially affected. However, in no event will a claim be paid unless the Fund is notified within 30 days of the loss occurrence. Special or unusual circumstances that prohibit prompt notification may be taken into consideration.

- c. As soon as possible, give the Fund a description of how, when and where the loss or damage occurred.
- d. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in settlement of the claim. This will not increase the Limit of Insurance. However, the Fund will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- e. At the request of the Fund, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- f. As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records. Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- g. Send the Fund a signed statement of loss containing the information we request. The Fund will provide you with the necessary forms.
- h. Cooperate with the Fund in the investigation or settlement of the claim and keep the Fund apprised of the status of the claim.
- i. Final request for claim payment must be submitted within 90 days of completion of repair or replacement.
- j. The Fund will not honor claims that are submitted for payment more than three years from the date of the loss, unless the Fund agrees to an extension in writing. (This requires that (1) notification; (2) repair, reconstruction or replacement; and (3) final request for claim payment be completed within three years).

3. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, the Fund will not pay more than the actual amount of loss or damage.

4. LOSS PAYMENT

- a. In the event of loss or damage covered by this policy, the Fund will, at its option, either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance, code or law regulating the construction, use or repair of any property.

c. The Fund will not pay you more than your financial interest in the Covered Property.

5. OTHER INSURANCE

It is anticipated that all property insurance available in this policy, for property belonging to the State of North Carolina, will be obtained from the Fund. If there is other insurance covering the same loss or damage, the Fund will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But the Fund will not pay more than the applicable Limit of Insurance.

6. RECOVERED PROPERTY

If you recover any property after loss settlement, you must give the Fund prompt notice. You must then return to the Fund the amount paid to you for the property. The Fund will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

7. VACANCY

If the building where loss or damage occurs has been "vacant" or "unoccupied" for more than 60 consecutive days before that loss or damage, the Fund will not pay for any loss or damage caused by any of the following events, if they are Covered Causes of Loss:

- a.** Vandalism;
- b.** Sprinkler leakage, unless you have protected the system against freezing;
- c.** Theft or attempted theft.

For other Covered Causes of Loss, permission may be granted to cease operations or remain "vacant" or "unoccupied" for more than sixty (60) consecutive days, provided fire protection, watch and alarm services are maintained, and further provided that written notice is given to the Fund prior to the sixtieth consecutive day of cessation of operations, vacancy or unoccupancy.

The Fund will pay if the building is "unoccupied" due to circumstances that are usual or incidental to the described occupancy.

Buildings under construction are not considered "vacant" or "unoccupied".

8. VALUATION

The Fund will determine the value of Covered Property in the event of loss or damage as follows:

- a. At replacement cost as of the time of loss or damage, except as provided in b., c., and d. below.
- b. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- c. Glass at the cost of replacement with safety glazing material if required by law.
- d. Tenant's Improvements and Betterments at:
 - (1) Replacement cost of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. The Fund will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (3) Nothing if others pay for repairs or replacement.
- e. Valuable papers and records, including those which exist on electronic or magnetic media (other than prepackaged software programs), at the cost of blank materials for reproducing the records;

The Fund will not pay on a replacement cost basis for any loss or damage:

- (1) Until the lost or damaged property is actually repaired or replaced; and
- (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

The Fund will not pay more for loss or damage on a replacement cost basis than the least of:

- (1) The Limit of Insurance applicable to the lost or damaged property;
- (2) The cost to replace, on the same premises, the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
- (3) The amount you actually spend that is necessary to repair or replace the lost or damaged property.

The Fund will have no liability for any property that is not repaired or replaced as a result of loss or damage.

G. PERIOD OF COVERAGE AND TERRITORY

Under this policy:

The Fund will cover loss or damage commencing:

- a. During the period shown in the Declarations; and
- b. Within the State of North Carolina. Coverage may be extended to other territories if the Fund is notified and agrees to insure.

H. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO FUND

If a State Agency or University to or for whom the Fund makes payment under this policy has rights to recover damages from another, those rights are transferred to the Fund to the extent of our payment. That agency or university must do everything necessary to secure our rights and must do nothing after a loss to impair them. But you may waive your rights against another party in writing:

- 1. Prior to a loss to your covered property.
- 2. After a loss to your covered property only if, at time of loss, that party is someone insured by this insurance.
