<sup>1</sup> “Confidential” means that information shared with designated campus or community professionals will only be disclosed with the individual’s permission, unless there is a continuing threat of serious harm to the patient/client or to others or there is a legal obligation to reveal such information (*e.g.*, where there is suspected abuse or neglect of a minor).

<sup>2</sup> “Private” generally means that information related to a report under the Policy will only be shared with those individuals who “need to know” in order to assist in the active review, investigation, or resolution of the report. While not bound by confidentiality, these offices and individuals will be discreet and respect the privacy of all individuals involved in the process.
